

ES 101, Lab 10

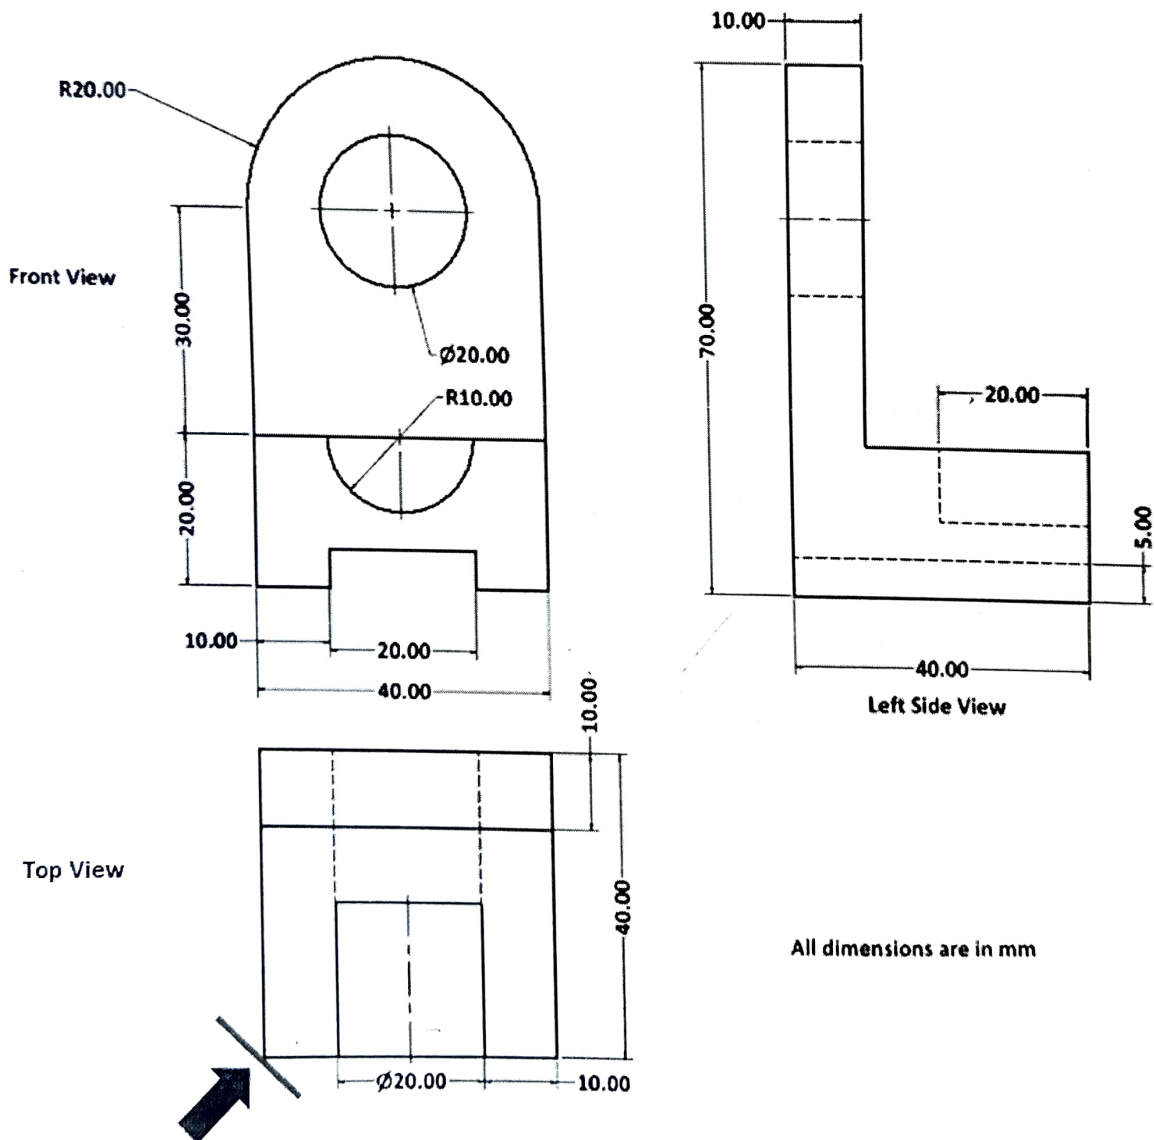

Sem 1 2024-25

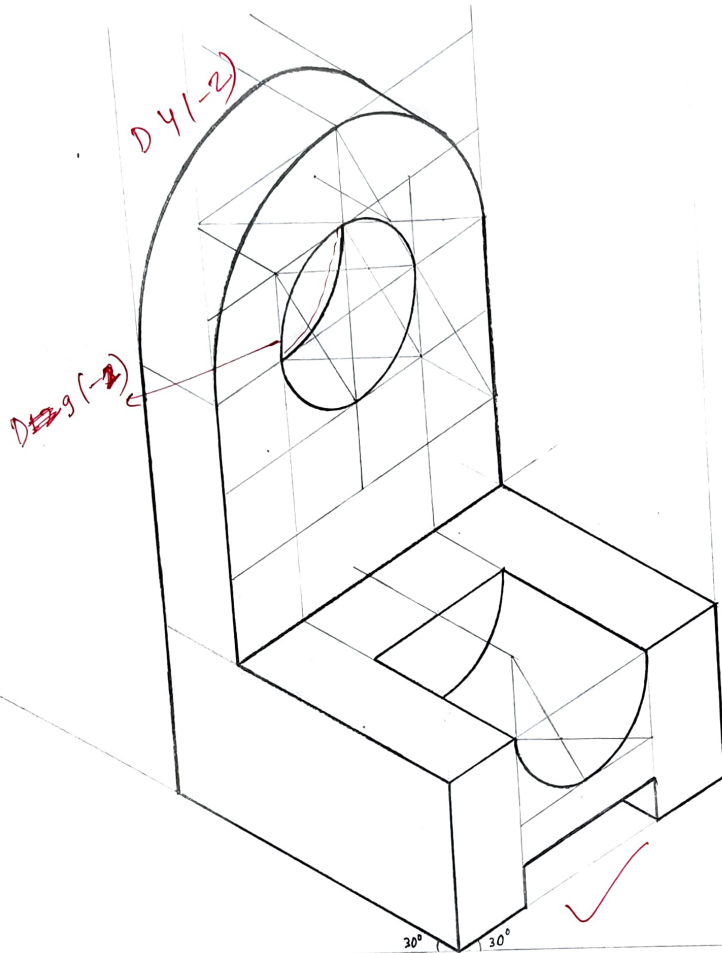

Date: 14th November, 2024

READ THE FOLLOWING INSTRUCTIONS CAREFULLY

- Follow all drawing rules and specifications discussed in the class. Do not use the pen on the drawing sheet.
- Write the required information clearly in the title block in the upper-case letter. Drawing sheets with incomplete information will not be graded.
- Extra sheets will not be provided. Both sides of the sheet can be used. Use the space wisely.

Draw the isometric drawing of the following component. There is no need to dimension the drawing.
(50 points)

46

SCALE = 2:1
